

TAP MAGIC[®] PROTAP[®]

**PROFESSIONAL
QUALITY, SUPERB
PERFORMANCE, 100%
BIODEGRADABLE**

- Our original biodegradable cutting fluid, Tap Magic PROTAP provides excellent performance for all cutting operations on all metals.
- Highly effective for hard metals such as stainless steel. Will not stain or change the properties of even soft metals such as aluminum.
- Dissipates heat rapidly and provides closer tolerances.
- Yields an ultra-fine finish and promotes longer tool life.

Now In Aerosol!

Believe In Magic

Tap Magic PROTAP is the top choice of professionals who require a cutting fluid that's totally biodegradable and free of all regulated chemicals. Available in 4-ounce and 16-ounce spout-top, 12-ounce aerosol, 1-gallon, 5-gallon, 30-gallon, and 55-gallon sizes.

SETTING THE HIGHEST STANDARDS FOR BIODEGRADABLE CUTTING FLUIDS

*Drilling
milling
facing
broaching
boring
turning
tapping
engraving
reaming
threading
sawing
...highly
effective
whatever
the cut,
whatever
the metal!*

Tap Magic® PROTAP® is an outstanding high performance cutting fluid that's 100% biodegradable and totally free of all regulated chemicals.

You can use this cutting fluid with complete confidence for any cutting operation on any metal.

It provides excellent performance for hard metals such as stainless steel. And it will not stain or otherwise change the properties of even soft metals such as aluminum.

Regardless of the cut, heat dissipation is rapid and the resultant finish is ultra-fine. Clean up is easy too.

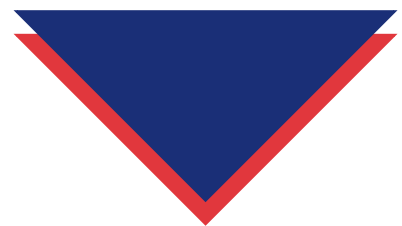

OTHER FORMULAS

Tap Magic PROTAP is joined by a number of other Tap Magic® Cutting Fluids, each carefully engineered for maximum effectiveness in specific applications.

- Tap Magic XTRA®-THICK is without equal for deep hole cuts and cuts of long duration on the hardest metals such as inconel, titanium and stainless.
- Tap Magic Aluminum is specifically formulated for excellent results on aluminum

and other non-ferrous metals.

- Tap Magic with EP-XTRA® is an ozone-friendly, professional-quality cutting fluid that's highly effective for virtually any cutting operation on any metal.
- Tap Magic XTRA®-FOAMY is an extreme-performance cutting fluid with a foam consistency that provides high visibility. It is ideal for all cuts on all metals – even hard metals up to 45 RC.
- Tap Magic Formula 1 Aqueous is totally biodegradable and has a non-corrosive water base. Highly effective for all cuts on all metals except magnesium.
- Tap Magic Formula 2 Eco-Oil is totally biodegradable and has a unique base of natural oil that resists smoking and fuming, even on cuts that produce a lot of heat. Highly effective on all cuts and all metals.
